COMPLAINT

AND NOW, comes the Plaintiff Dennis McKee pro se and files the following Complaint against John Paul Vranesevich and the above listed 13 other defendants.

STATEMENT OF THE PLAINTIFF

It seems John Paul Vraesevich and all the other above listed defendants have the belief that anonymous speech is in no way regulated in

America. And, that speech can be criminal and or defaming and people cannot be held accountable for it. Thus disregarding the clearly established Constitutional premise it is not free speech to yell fire in a crowd theater when there is no fire. Even, if the utterance is anonymous. This flawed belief has led to much defaming and some criminal speech on the Beaver Countian web site. The defendant John Paul also believes the Pennsylvania Shield Law somehow protects people that commit criminal and or defaming acts anonymously. Grand Jury procedures in Pennsylvania specifically address this issue and no protection exists for this behavior under any circumstances. So, even the Pennsylvania Shield Act a state law that is trumped under the 6th Amendment of the Federal Constitution does not grant immunity for defamatory or criminal speech.

BACKGROUND AND LIST OF EXHIBITS

The following is a list of the defendants and the verbatim postings coinciding with Exhibits A and B and proof of violations indicated as per law. Exhibit C is an email from John Paul denying me my first Amendment rights because I said something he didn't like.

PLEADING

The conduct of all the listed defendants was more than negligent, their conduct was willful and they acted with actual malice and had malicious intent. They knew their statements were false or they recklessly disregarded their falsity. The defendants took no time to research, and many of the statements had been denied publicly previously by myself

with verifiable support these statements were false. The statements made by the defendants exposed the Plaintiff to hatred, ridicule, or contempt, causes him to be shunned, and injured me in my business. The defendant John Paul removed me from his web site and denied me the ability to defend myself denying me m First Amendment rights without just cause other than me saying things he didn't like.

a. John Paul Vranesevich. states on his web site, Dennis McKee, who is not licensed to practice law and does not have a law degree, has been representing or otherwise assisting multiple individuals in cases pending before the courts has been representing or otherwise assisting multiple individuals in the courts. Beaver County Common Pleas Judges James Ross and Harry Knafelc, and County Domestic Relations Director Joseph Signore, have all warned McKee that Pennsylvania prohibits unlicensed individuals from the practice of law. McKee has remained defiant, claiming he has "constitutionally protected rights to practice law." Beaver County Detectives currently have an active investigation into McKee's practices.

Answer; No one in America has a license to practice law. Strict proof at time of trial of the agency state or federal that issues such a license. I have been aiding and or representing our veterans in federal court for more than 40 years and not a not a single person has said a word.

If it was illegal the federal courts would not permit it. As to the “active” investigation at the District Attorneys Office. I have written a confession with over 200 names on it and admitted in writing I have represented and or helped these veterans in court. I have admitted to taking expenses and offered to stop immediately if the 6th Amendment Supremacy and Preemption Clauses do not supercede and trump state law regarding this issue. I have even gone down to the District Attorneys Office and turned myself in and was in essence thrown out of the office. The defendant John Paul has been provided with the laws that regulate this process and has defamed my character by implying I am violating the law and am a criminal. And even with that, ignorance of the law is not a reason to defame me. And it is in High School government text books no license is needed to practice law in America. I am not responsible for the legal education of anyone but myself.

b. “JIM ERNEST” Feb. 1, 2015 at 7:48 pm. preying on the elderly....sickening... what dickheads.

Answer; I have never been convicted of any crime against the elderly.

c. “JUSTIN SHUY” Feb 1, 2015 at 9:11 pm What scum

Answer; “Scum” is Euphemistic term indicating less than

worthy person.

d. “AMY ALBERTI HEINL” Feb 2, 2015 at 6:22 am

How disgusting... there is a special place in hell for thieves like this.

Answer; I have never been convicted of thievery.

e. “ANNA McKENNA SHOPE” Feb 1, 2016 at 9:25 pm

Sick to my stomach over these leeches.

Answer; Calling me a “Leech’ is defamatory.

f. “JERRY MUNGO” Feb 1, 2015 at 11:37 pm then super
douchebag shyster hustlers like this mckee asshat slimeball wannabe will
certainly make an attempt to reap some free fruit! The Good Ole Boys had a
way of dealing with these type of miscreants, but in the name of political
correctness we can’t speak of such measures. Everyone reading this should
ponder how they would deal with these types of pigs if their elderly Mothers
or Fathers were the victims of such obvious immoral activities!

Unfortunately, when we allow society to break down where seemingly all
levels of police , politicians, etc are able to exist above the law then super
douchebag shyster hustlers like this mckee asshat slimeball wannabe will
certainly make an attempt to reap some free fruit! The Good Ole Boys had a

way of dealing with these type of miscreants, but in the name of political correctness we can't speak of such measures. Everyone reading this should ponder how they would deal with these types of pigs if their elderly Mothers or Fathers were the victims of such obvious immoral activities!

Answer; Self explanatory.

g "NIKKI" Feb 1, 2015 at 2:59 pm With the grandiosity that Mckee is showing, his psychotic ass should have been 302'd AGES ago.

Answer; It is a matter of public record in my case vs. Sheriff David that the Butler Veterans Hospital submitted a document stating I have no mental illness and no personality disorders. Strict proof of psychosis and grandiosity or any other mental illness demanded at time of trial.

h. "RAVEN" Feb 2, 2015 at 9:08 am @Nikki: Perhaps he has been lucky enough to not make any threats against people or himself that would place lives in danger and justify a 302. But that seems to be changing. The Village Idiot is becoming the Frankenstein Monster, and unless the authorities break out their torches and pitchforks, it could have a very bad ending. I really wonder if they recognize the level of pathology they are dealing with. Eventually, I see this guy going to jail, but what havoc will he

create before that? He will keep popping up until his luck runs out.

Answer; I have never been diagnosed for idiocy and my veterans records indicate no pathology. Strict proof demanded at time of trial.

i. "WTF" Feb 1, 2015 at 3:43 pm we all know Dennis is f'n nuts. I hope he doesn't harm anyone and this is just Dennis trying to show everyone how smart he is (he thinks he is)

Answer; "Nuts" is a euphemist term for "mentally ill". Strict proof at time of trial I am mentally ill.

j "ME" Feb 1, 2015 at 10:36 pm. Feb 1, 2015 Wow what sickos

Answer: "Sicko" is a euphemistic term for "Mentally ill"
Strict proof at time of trial I am mentally ill.

k. "DEMSOLVUR" Feb 2, 2015 8:03 am if I were a family member one of these residents, a legal injunction would be the last thing these two dirt bags would be worried about. They need to be beaten,

preferably in a public square, for this.

Answer; “Dirt Bag” is clearly a defamatory term. I am an honorably discharged decorated Viet Nam era Marine veteran, have been elected to public office twice, have no criminal record and have a lifetime full of awards for my work with dependent and delinquent youth. I believe saying in a public forum I should be beaten constitutes a terroristic threat.

1.. “SPEAK THE TRUTH TOO” Feb 1, 2015 at 7: 00 pm

This is as low as it gets.....FUCK YOU MCKEE! No Marine I know would do what you are doing here. Aiding and abetting the exploitation of the elderly. I hope you this lands your sociopathic ass in jail.

Answer; I have never been convicted of aiding and abetting the exploitation of the elderly. Strict proof at time of trial I am a sociopath.

M. “CRACKER” Feb 1, 2015 at 8:40 pm

I’ll go get the rope. Bad enough getting ripped off by the “professional” shysters.

Answer; Terroristic threat and defamation implying I am the same as a “Professional Shyster”

N. "PEEKABOO" Feb 5, 2015 at 1:02 pm. I don't understand how one guy like Dennis McKee is able to tie the Beaver County Court House into a knot of crazy with him?
SOME BODY DEAL WITH HIM ALREADY! WHERE IS OUR DISTRICT ATTORNEY AT?!?!

Answer; "Crazy" is a euphemistic term for "mentally ill"
Strict proof at time of trial I am mentally ill.

I am often criticized for my devotion to an open public discourse, and for allowing things to “go too far” with the comments of this site. In the end, I tend to believe public dialog has a way of weeding out good ideas from bad, productive conversations from unproductive ones, and fact from fiction.

But your misinformed rantings, which appear to be endless, are beginning to have a chilling effect which is unproductive to the mission of this site.... consider yourself weeded out, along with any comments made by others which reference you.

The line in the sand is located on the far edges of my beach, but you’ve finally managed to cross it.

Cripe.

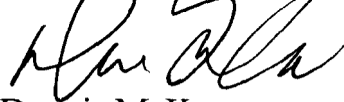

I’ve not been responding because I’m not going to get into a tit-for-tat with someone who has absolutely no idea what in the hell he’s talking about. You’ve confused federal standards with state standards, case law with specific statutes, legislation with policy, and blanketed your entire cluster of an argument in a splattering of megalomaniacal-like BS that I don’t have the expertise to properly diagnose.

I’ll tell you what I will NOT have, is you coming on here and telling people that I can’t protect my sources. I rely on experts who have devoted their lives to the specific issues at play, and if push ever came to shove my sources know where I would stand.

CERTIFICATE OF SERVICE

I hereby verify that a true and correct copy of Complaint

I verify that the statements made in the forgoing documents are true
and correct. I understand that false statements here in are made subject to the
penalties of 18Pa. C.S. Section 4904, relating to unsworn falsification to
