Title: Shredder

03/11/2016 Detective Timothy Staub and Detective Robert Heberle after reviewing Pennsylvania State Police report dated 02/22/2016 by Trooper Jason L. Domenick in reference to interview with County Commissioner Sandie Egley. Ms. Egley advised prior commissioners had a shredder that was jammed pack with prior commissioners campaign literature. The report stated that there was stacks of documents pertaining to the campaign by the shredder and it is in the IT department.

On this date detectives went to the office of Kevin Tusick to view the shredder and documents. The shredder was a Black Swingline Shredder model no. SC170, S/N ZD1152211. Inside were shredded documents, unable to determine what the documents were. Mr. Tusick was asked by Detective Staub if there is any other documents and he advised no. Further he advised that the shredder was not in the IT department until Ms. Egley called him to her office to take control of the shredder. Tusick advised he did not see any other documents and did not take control of any documents. He advised Ms. Egley made a statement that you know what this is all about and he had no clue until later.

Pictures were taken of the shredder and will be attached to this report.
